famous MIAMI modern bathr

What will make the bathroom cabinet better looking? What will make the cabinet more useful—give greater comfort and convenience to the user? Through the years such questions as these led Miami-Carey to a long record of “firsts”—improvements that brought sweeping changes in the design and use of bathroom cabinets and accessories. Many of these improvements were later adopted by the entire industry.

To satisfy a wide range of needs and an equally broad range of incomes, Miami-Carey puts its skill and excellent craftsmanship into three great lines of bathroom cabinets:*

THE MIAMI LINE, the finest in styling, quality and convenience, for luxurious bathrooms.

THE CAVALIER LINE, for bathrooms where quality, style and cost are equally important considerations.

THE COLONIAL LINE, for lower-cost bathrooms in small homes, summer cottages, office buildings.

These
10 "Firsts"
made MIAMI-CAREY
a leader in
the industry

Carey

"Firsts" give you om beauty and convenience

- 1 **First** to bring the convenience of electrically-lighted cabinets to the home bathroom.
- 2 **First** to multiply the utility of the hotel bathroom cabinet by equipping it with lighting and convenience outlet.
- 3 **First** to create new beauty with the panel Venetian type of cabinet.
- 4 **First** to give its cabinets the lasting protection of Crystal Snow—the famous non-porous pyroxylin finish that "won't retain a stain." Still exclusive in the Miami-Carey line.
- 5 **First** to introduce mirror clips—now standard in the industry—to replace awkward conspicuous rosettes.
- 6 **First** to give a 5-year guarantee against silver spoilage on mirrors—proof of the excellence of Miami-Carey quality.
- 7 **First** to give concealed cabinet lighting, with its new modern simplicity of design, greater convenience, and soft, non-glare visibility.
- 8 **First** to introduce the important "safety first"—the razor blade drop that keeps hazardous discarded blades off the floor, out of laundry chutes, clothes hampers, and drains.
- 9 **First** to introduce successfully the round mirror cabinet with a special extension hinge that lets mirror swing out over the lavatory—for easier shaving or making-up.
- 10 **First** to feature the new Armco Cold-Rolled Paintgrip, Bonderized steel for cabinet bodies—to give long-wearing quality and lasting service.

for really fine bathrooms

The **MIAMI** Line

... gives you the utmost in styling, lasting beauty, quality and luxurious convenience. And Miami Cabinets and units are so versatile in style and design they can be combined to meet every requirement.

That's why you find Miami Cabinets everywhere — wherever quality, good taste and distinction are demanded.

SPECIFICATIONS

All mirrors "A" quality genuine plate glass electrolytically copper-backed and guaranteed 5 years against spoilage.

MIRROR FRAMES, hinges and other metal parts made of solid brass specially rolled for first-quality, chromium finish.

Chrome plated to strict specifications, to insure lasting, lustrous finish.

All door hinges, except Duchess and Moderne are piano-type, brass, plated with chromium, to prevent sagging and sticking. Duchess and Moderne use special hinge.

STEEL is Armco Cold-Rolled Paintgrip, Bonderized, specially processed for enameling.

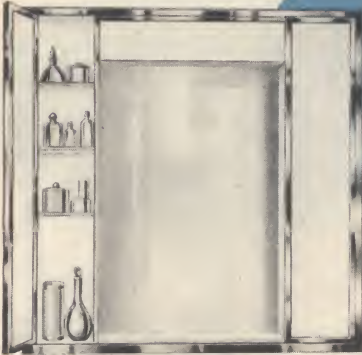

CONSTRUCTION. One-piece body from a single sheet of steel. No open seams or joints to encourage rust or gather dirt.

Door strikes stainless steel; bullet door-catches case hardened steel, chromium plated.

Stainless steel "U" type shelf brackets prevent upsetting shelves. Two bottom brackets accommodate six toothbrushes.

Finished in Crystal Snow, non-porous pyroxylin, applied by special process. Used on all but stainless steel models. Guaranteed not to discolor with age, crack, craze, or peel. Retains original lustre indefinitely. Proved to be "the finish that won't retain a stain."

to please the most particular

The MIAMI Imperial

**Spacious
Handsome
Distinctive**

This deluxe cabinet will grace the most luxurious bathroom. Unusual beauty effected through skillful harmonizing of chromium with mirrors. Inside walls with mirror facings extend from the center mirror. Generous storage space—conveniently spaced shelves. Bottom shelves accommodate tall bottles.

Choice of regular or rose (flesh) colored mirrors.

Indirect lighting: two bulbs behind opal glass panel above center mirror provide soft abundant light. Uses 50-watt or larger bulbs. Bulbs not furnished. Cabinet wired at factory.

SPECIFICATIONS

Overall size	32" x 32 ³ / ₈ "
Wall opening	31 ¹ / ₈ " x 31 ¹ / ₂ " x 4 ³ / ₈ "
Depth	4 ³ / ₈ "

The MIAMI Oxford

**Compact Beauty
and Luxury**

Designed especially to complement bathrooms of medium and smaller size. Spacious side cabinets have conveniently spaced shelves. White opal shelf beneath mirror adds useful center shelf.

Finished in any color desired at slight additional cost. Center Mirror recessed four inches.

Indirect lighting: two bulbs behind opal glass panel provide non-glare light. Regular bulbs up to 75-watt may be used. Bulbs not furnished. Wiring completed at factory.

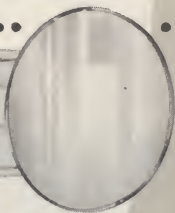

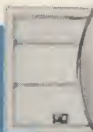

SPECIFICATIONS

Overall size	29 ³ / ₈ " x 29 ³ / ₄ "
Wall opening	27 ⁷ / ₈ " x 28 ¹ / ₄ " x 4 ¹ / ₄ "
Depth, front to back	4 ¹ / ₄ "
Return flange	1 ¹ / ₄ "

When ordering, please specify COLOR in which cabinet is to be finished.

for a design of unusual charm

The MIAMI *Duchess*

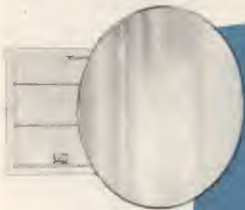

**Ingenious
Versatile
Ornamental**

Chromium framed circular mirror gives not only unusual effect, but also exceptional comfort and convenience. Ingenious hinge permits pulling the door outward completely away from cabinet, so mirror is but a few inches from face of user. Ideal arrangement for shaving, applying make-up or dressing the hair. Cabinet recessed in the wall.

Two plate glass shelves, adjustable to three positions, furnished with each model.

Razor blade drop mounted in back wall of cabinet.

The MIAMI *Moderne*

Identical with the Duchess except that the mirror has a beautiful beveled edge instead of frame.

Stainless steel clips fasten mirror securely.

SPECIFICATIONS—DUCHESS and MODERNE

Mirror size 26" circle
Wall opening 16½" x 16½" x 4¼"

ideal where no cabinet is needed

The MIAMI Pompadour

Attractive Appointments for the Powder Room or Extra Lavatory

Beautiful 26-inch mirror and mirror-lined recess shelf. Mirror fitted for concealed hanging. No cabinet.

Recessed shelf frame in brass, chromium plated. Shelf lined with mirrors in following colors: blue, green, gunmetal, rose (flesh) or regular silver.

Circular mirror available in regular silver or in rose (flesh) at slight additional cost.

SPECIFICATIONS—Lower Shelf

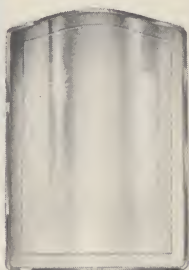

Wall opening $23\frac{3}{8}" \times 7\frac{3}{8}" \times 4\frac{3}{8}"$

When ordering, please specify color desired for recessed shelf—blue, green, gunmetal, rose (flesh) or regular silver.

enjoy the beauty of chrome frame cabinets

The MIAMI Venetian

Smooth, Sleek
Flowing Lines

Lustrous chrome frame enhances chrome accessories. One-piece construction, chrome over nickel. No joints or clips. Concealed hardware. Body and door back finished in Miami Crystal Snow. Cabinet in three sizes.

For Utility — Yes — But How Luxurious Looking!

CAVALIER
Chromium
Accessories

They're designed by one of the country's outstanding architects for simple, modern lines and high utility.

Made of "Zamac" metal . . . cleanest of all alloys. Virtually no impurities — has great strength — unaffected by age.

Non-corrosive. Used in equipment subjected to hard, continuous usage. Triple-coated finish. First, a coating of pure copper. Second, a coating of nickel. Third, a heavy coating of pure chromium. The result is the finest plating to be found on any bathroom accessory.

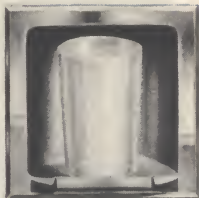

RECESSED TYPE ACCESSORIES

All Cavalier Recessed Accessories illustrated here have overall dimensions of $6\frac{5}{8}" \times 6\frac{5}{8}"$. Wall openings: $5\frac{1}{2}" \times 5\frac{1}{2}" \times 2"$. They can be appropriately built into any shelf wall by making arrangements in advance for their installation. Recessed accessories are available in either "S" (screw-on) type or "L" (lug) type. Specify type required when ordering.

How to install Cavalier Accessories

For Recessed Type . . .

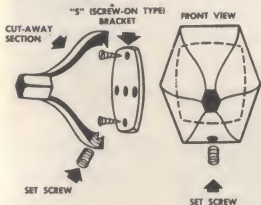

All recessed fixtures which carry prefix "L" are so designed to "key" permanently into the wall with cement or mortar. The Soap Holder and Grab Bar No. 4024 has 4 cleats; all other recessed fixtures have 2 cleats each—top and bottom.

Recessed fixtures are also made in "S" type for attaching to recess cut in wall with either screws or toggle bolts.

For Projection Type . . .

**Method of attaching
"S" type (screw-on-fixture)
to the wall.**

**Method of installing
"L" type accessories
in wall.**

When ordering projection type accessories, it is not necessary to specify "L" or "S" type. Both types of installation plate are furnished with each projecting accessory. You may use whichever meets your needs. Only Miami-Carey furnishes this service.

MIAMI gives the Laundry Chute Door

A New Personality With Trim, Modern Styling

...to replace the unsightly, old-fashioned wood door. Will never warp or get out of square. Furnished with a prime coat—ready for painting to match color scheme of the home. Made of heavy gauge Armco auto-body steel. Ready to install—no hardware to buy. Four non-rusting cadmium plated screws furnished. Complete unit costs less than old style door. Takes only five to ten minutes to install.

a "must" for modern bathroom comfort

MIAMI Bathroom Heater

**Lets You Bathe and Dress in Warm Comfort
on Chilly Mornings**

Compact built-into-the-wall heater, with attractive grill framed in lustrous chromium. Ideal for warming bathroom, dressing room or kitchen. Motor-driven fan quickly floods room with heat. Can be used as hair dryer or for drying emergency washing of delicate hose or other varying apparel.

Impossible for a small child to contact electrical or mechanical parts. No radio interference. No oiling. Approved by Underwriters' Laboratories, Inc. Furnished only for 110-120 volts 60-cycle alternating current. No. 14 wire allowed in most places. See your local building code.
